Your Pint Of Blood May Save Some Soldier's Life!

NEWS OF OUR MEN and WOMEN IN UNIFORM

Gunner Gets Wings

A graduate, last week, of the Harlingen Army Air field flexible gunnery school who qualified as an expert aerial triggerman after six weeks of intensive training and now wears the silver wings of a gunner-technician-sergeant is **William LeKoff,** above, son of Mr. and Mrs. Alex Zimin, 659 Hanover street.

He was promoted to sergeant and received his diploma and wings at brief exercises held at Harlingen, Texas, and, unless held over to serve as an instructor, was to depart immediately to join a combat crowd aboard a U. S. bomber. Before learning to "double in gunnery," he completed one other course either in radio, air mechanics or armament and qualified as an air crew technician.

While at Harlingen he fired every type weapon from BB guns to calibre .50 Brownings, spent from 12 to 16 hours daily on the ground and in the air mastering the course of instruction and training eyes, nerves and fingers to split-second timing. He climaxed the course by firing on towed targets from Texan training planes and medium bombers. This thorough training at every phase of aerial warfare here at one of the nation's biggest gunnery schools qualified him for his role as gunner-technician-sergeant — the world's best.

Private First Class **William J. Simoncini,** son of Mr. and Mrs. Fred Simoncini, 115 Irvington street, writes to say "thanks" for The Record and to make a suggestion for the column about servicemen. He thinks it would be nice if we included the soldier's address so former local friends could write.

The Record agrees with Simoncini but censorship requirements do not permit the publication of complete addresses which indicate the unit the soldier is with.

Arthur E. Peterson, Daly City, is now stationed at the Army Air Forces Basic Training center at Kearns, Utah, it is announced by Colonel Converse R. Lewis, commander.

The son of Mr. and Mrs. Nels Peterson, 98 Alexander avenue, he has been in the Army Air Forces since March 16, 1943.

Men at the Kearns post are trained under the rigorous program of the Air Forces Technical Training command. They are taught how to fight—how to protect themselves under battle conditions, to march, the use of small arms and machine guns, the use of the gas mask and other kindred subjects before going to duty with ground crews.

The public relations officer at Paine field, Washington, reported, last week, that Private **George S. Dillon,** son of Mr. and Mrs. John Dillon, 123 Knowles avenue, had been granted a furlough to visit home by the commanding officer of Paine field. One of the Army Air Forces' largest fighter bases in the Pacific Northwest, Paine field is located on Puget Sound near Everett, about 25 miles north of Seattle. Because of its size and central position, Paine field is the natural air defender of the cities of Northwest Wash-

Rationing Board Presents Awards

Book Three Becomes Valid, September 12

War Price and Rationing Board No. 83-12-3 presented pins and awards for volunteer service at its meeting, Wednesday night, September 1, at 470 Grand avenue, South San Francisco. The sterling silver pins were for 500 or more hours of service at the local rationing board office, while the War Service certificates were for 100 and 200 hours or more.

Among those receiving the War Service Awards were Mrs. C. J. Amundsen, Daly City, and Mrs. Stella Jensen, Colma.

Miss Genevieve Blue, chief clerk, pointed out that the first brown "point stamps" in War Ration Book Three will become valid September 12. These stamps, A, are good for 16 points through October 2. Brown stamps will become valid on successive Sundays and will always expire on the Saturday nearest the end of the month. They will be used for rationing meats, fats, oils, canned fish, cheese, canned milk, and all other commodities now rationed with red stamps in War Ration Book Two. The small stamps

(Continued on Page 5)

Service Club Has Saturday Social

The Auxiliary to Company No. 4, D. C. F. D., will be hostess organization at the Daly City Servicemen's club, next week, beginning Sunday, September 12. Currently, Vista Grande Camp No. 6035, Royal Neighbors of America, is in charge.

There will be a social at the center, Saturday evening, September 11, with special entertainment and refreshments.

Free dancing classes are conducted every Tuesday evening and the servicemen are cordially invited to participate.

Fathers Face Call Unless "Essential"

September 15 is the deadline for fathers in non-deferrable jobs to signify intention to transfer to other work if they do not wish to be called for early induction into the armed forces, according to Mrs. Isabelle Flynn, chief clerk, Daly City Draft Board No. 103.

She reports that the majority of the fathers sent notices of reclassification recently have already returned the information forms to the local board office. However, a number forgot to have the form notarized, which is essential. Any man who has not yet returned his classification form is requested to have it no-

(Continued on Page 5)

Afternoon Party Concludes Season

Daly City's highly successful summer recreation program at Pershing school and Lincoln park centers will close, Saturday, September 11. The Women's Civic club will give a party at the playground for the youngsters as a climax for the season, Saturday afternoon. Refreshments will be served.

The program, which featured crafts and indoor games as well as playground activities, was directed by Miss Maximae Morris until two weeks ago, at which time Mrs. Margaret Clark took over supervision.

BACK THE ATTACK WITH WAR BONDS!

The Third War Loan Drive began, yesterday, September 9, and folks on the home front have until the end of the month to raise 15 billion dollars to pay for the essentials of victory—equipment, ammunition, food.

Fifteen billion dollars is a lot of money and in this drive there won't be any "letting George do it." That's so much money it means everyone must buy an extra $100 worth of War Bonds this month to meet the quota.

The home front has to back the fighting front 100 per cent. You'll want to be sure you have given 'way past "until it hurts." Remember—invasions and ultimate victory costs blood and lives. You can't hold out when the fighting men are making sacrifices like that. It doesn't stack up—so, back the attack with war bonds!

Children Return To School Monday

Vacation comes to an official end for hundreds of Daly City youngsters bright and early Monday morning, September 13, when the schools of the Jefferson Elementary School district open for the fall semester. R. L. Crane jr., district superintendent, advised those who had never registered before to be present at 8:40 a. m. while the "old hands" may put in their appearance at the usual time, 9 a. m.

Six new teachers report for duty, Monday. They are Miss Eleanor Jancovich, Miss Maximae Morris, Mrs. Mabel Presnall, Miss Norma Rattaro, Miss Eda Rossetto, and Miss Alice Sanders.

The kindergartens also open Monday, September 13. Crane explained that a child must be 4 years 9 months old as of September 1 to be eligible to enter kindergarten. The child must bring its birth certificate. Kindergartens are located at Jefferson elementary school, with hours from 9 a. m. to noon; at Woodrow primary school, with second term kindergarten from 9 a. m. to noon and first term kindergarten from 1 to 3 p. m.; at General Persh-

Farallone Packers Make Two Straight

Daly City's Farallone Packers made it two straight in their playoff series with Belmont, winning by a 7-2 score in Sunday's game played at San Mateo. The latter squad, which finished the regular Peninsula Summer Baseball league season in first place, was thus eliminated from further competition in the four-top-teams playoff.

In the other league playoff contest, the Manteca Moffats romped off with an easy 12-2 win over San Mateo, to open their series. Another victory over that club will pit the Moffats against the Packers, who meet the winners in the finals. In this event,

Police Recover Car; Stop Free-For-All

Jose L. Roybal, Taylor street, Colma, was without his car, a 2-door Chevrolet black sedan, for a short period on Friday evening, September 3. He had parked the automobile in front of 247 Vista Grande avenue and between 8:30 and 8:45 it was stolen.

When Officers Roland Petrocchi and Henry Sundermann jr.

Daly City War Council Asks All Residents To Assist In Campaign For More Plasma

Daly City's Civilian War Council issued a plea for blood donors, this week. Pointing out what the blood donor program means to both the men at the fronts and the civilians at home, the council implored every able bodied man and woman in Daly City to give a pint of blood, this month.

Those who will donate in this worthy cause are advised to phone the police department, RAndolph 4212, or the war council headquarters, RAndolph 0633, and leave their names, addresses, phone numbers, and time preferences. Station wagons will be furnished to transport volunteers to San Mateo.

Donors may indicate whether they wish to give their blood to the San Mateo County Blood Bank or the American Red Cross. Both centers use the plasma secured for the ultimate good of war's casualties. The county blood bank advises donors of their own blood type as part of their service.

Arthur J. Bodien, war council director, pointed out that the process is painless and that no ill effects result. Every donor is carefully examined before the blood is taken and any not in the best of health are rejected.

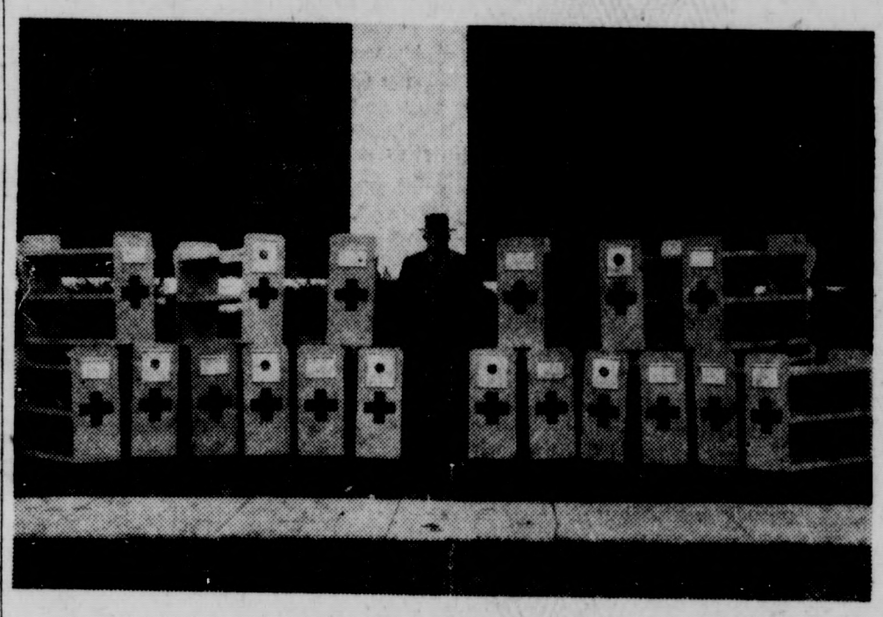
"Your donation of a pint of blood may mean the saving of a soldier's life at the front or that of a child hurt in a bombing in this locality," he explained. "This is so essential that no one should hesitate."

The Daly City firemen have already given generously to the blood bank, through the efforts of Al Sundstrom, who organized the trek to San Mateo and handled the details. In fact, Daly City has one of the best records in the county for blood donations but it isn't good enough yet, according to Bodien.

The importance of the blood donor service was discussed at the Thursday night, September 2, meeting of the Daly City Civilian War Council. A drill of the control board center was set for

(Continued on Page 7)

Book Trucks And Drying Racks For "The Boys"



In the upper photograph may be seen the book trucks which Daly City organizations and volunteers made possible. These were sent to Mare island, Treasure island and Letterman hospitals through the Junior Red Cross.

The drying rack, left, lower photograph, is one of several made for the San Francisco Chapter, American Red Cross, for its rehabilitation program.

R. L. Crane jr., Red Cross activities chairman for the Daly City schools, is shown in the pictures. He has been instrumental in the projects for servicemen, both in the schools and among adults of the community.

The fall program of Junior Red Cross activities in Daly City will be aimed toward production of articles for hospitals and materials to be used in the rehabilitation of disabled veterans of this war.

Organizations which donated funds to purchase materials for the book trucks were General Pershing P. T. A., Crocker P. T. A., Woodrow Wilson P. T. A., Hillcrest Circle No. 143, U. A. O. D., Ladies Home club, Daly City Post No. 410, American Legion, Daly City Unit No. 410, American Legion auxiliary, Old Glory Post No. 2044, V. F. W., Old Glory Auxiliary No. 2044, V. F. W., Daly City-Colma Lions club, Daly City Fire department, and Mrs. Ida Hanley. Members of the Lions club and Crane did the construction work.

How About Those Christmas Parcels?

More than 10 million individual Christmas parcels for overseas soldiers are expected in the mailing period, September 15 to October 15. The Army Postal service will need the full cooperation of the mailing public if packages are to reach soldiers in time. The public is asked to be sure to put the correct overseas mailing addresses on the packages and to wrap them securely, but in such a manner as to permit inspection prior to their dispatch.

Every overseas package must be opened, inspected, and rewrapped at the port of embarkation. The Army Postal service and the U. S. Post Office department strongly urge that packages be mailed September 15 or immediately thereafter.

Christmas parcels and cards to personnel in the United States Navy, Marines and Coast Guard should be mailed during the period beginning September 15 and ending November 1.

Fine Carillon Located Atop Nob Hill

One of the world's finest carillons is located in San Francisco because a 90-year-old ex-dentist and newspaper man wanted to hear again the parish church bells he heard when he was a boy.

The carillon, installed in Grace cathedral atop Nob hill, is the $200,000 gift of Dr. Nathaniel Coulson, who started life as a "bound boy" on an English farm, joined the British Navy, came to San Francisco where he worked and made a fortune as a stockbroker, reporter, and finally a dentist.

From his apartment near the cathedral, Dr. Coulson can hear the 44-bell carillon peal out sweet hymns. He has just set up a trust fund to increase the carillon's range of bells, and to erect a new tower in which to house the chimes.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Name Chairmen For Big Police Ball

The Peninsula Police Officer's association has named Officer Thomas Connors, of the San Mateo Police department, to be general chairman of the fifteenth Annual Policeman's Ball. This gala affair, which is a benefit for the Widow's and Orphan's Fund of that association, will be held Saturday evening, September 25, in the auditorium of the Peninsula Beach Roller Skating rink in San Mateo.

General Chairman Connors reports that all committees are functioning smoothly and efficiently under the expert guidance of their respective chairmen, and that the success of the ball is assured by their untiring and mutually cooperative efforts.

Ticket Sales Chairman Walter Wisnom of Hillsborough, who is also president of the Peninsula Police Officer's association this year, reports a very favorable advance sale of tickets and the further fact that the public is looking forward to a highly enjoyable evening of dancing and entertainment.

The motif and character of the ball and decorations will be patriotic, and the national colors will be presented during the evening by an honor guard composed of military police and shore patrol. This stirring spectacle will lend added significance and color to an event which has already established an enviable record on the Peninsula as the outstanding social event of the year.

Transportation arrangements have been made with the San Mateo-Burlingame Transit company to run buses to the ball from the Burlingame Pacific Greyhound depot at 9:30 and 9:45 p. m. and returning buses to leave the scene of the ball at 12:15 a. m.

Traffic Offenders Pay Fines Friday

Eleven traffic offenders paid fines in Judge William J. Sweeney's court, Friday, September 3, at the city hall.

Dimout violators included Harvey Stanley Rockwell, Burlingame, fined $5; Dolores Welsey, Lomita Park, $5; Clifford Clarence Melrose, San Bruno, $5; George Anthony Young, 335 Arkansas street, San Francisco, $5; Richard Warren Lambie, 1407 Vermont street, San Francisco, $6.50; Bernice Kiley, 242 Nueva street, San Francisco, $5.

Speeding resulted in fines for Fred Zumbuhl, 1642 Eleventh avenue San Francisco, who paid $7.50 with $5 suspended; Darrell McKenzie, Bryant street, Colma, who paid $25 with $10 suspended; Lee L. Heller, 993 Steiner street, San Francisco, who paid $10; and Arlin Alvin Snyder, San Carlos, who paid $7.50.

Ernest Johnson, New San Francisco Auto court, was fined $2.50 for going through a stop signal.

Knights In Armor Not All In Medieval Era

The use of body armor in battle, usually associated with medieval knights, has been successfully revived in time for the all-out invasion of Europe.

Colonel K. B. Harmon, district chief of the San Francisco Ordnance district which covers the nine western states, revealed today that the Ordnance department, Army Service Forces, is now in mass production on body armor for American airmen.

"Many lives will be saved," he said, "by the use of this new protection for aircraft personnel."

Information received in Washington some months ago, particularly from the American Eighth Air Force in England, indicated that a considerable proportion of the wounds suffered by members of bomber crews was caused by high velocity machine gun and cannon fire. Injuries were also caused by enemy ground flak.

Colonel Harmon stated that, by agreement between the Air Forces and Army Ordnance, the procurement of body armor, to counteract the greater percentage of these wound causes, was turned over to Ordnance.

Early development of body armor was carried on by U. S. Air Forces in England. The armor, according to present specifications, can be worn by bomber crews while performing their regular duties. Armor will vary with the protection needed in the several types of combat aircraft.

The new life-saving defense equipment is comparatively light in weight and, as proved by exhaustive Army Ordnance tests, gives excellent protection. The armor can be put on and taken off quite easily.

All Army Ordnance speed records were broken in getting the armor into mass production. Body armor is being supplied U. S. Air Forces in all theatres of operation.

Senior Air Raid Wardens Hear Talk

Harry Melicker described the new blackout lights for emergency vehicles at Friday night's meeting of Daly City Senior Air Raid Wardens. A demonstration of the masked light was made by John Emerson, assistant to Chief Air Raid Warden Melicker.

Sixteen night and one day senior wardens attended the session at which Civilian War Council Director A. J. Bodien spoke. He dealt with the problem of vehicles in operation during blackouts, too, and pointed out that some, those of an especially essential nature, operate with full lights on, while others use the new shielded lights.

The wardens of the city are cooperating by donating blood to the San Mateo County Blood Bank. Another war service enterprise to which they pledged themselves, Friday night, was to make articles such as trays and book trucks for wounded servicemen in cooperation with R. L. Crane jr., Daly City Junior Red Cross chairman.

It was again announced that all wardens having the old type gas masks are to turn them in and get the new ones.

Next meeting of the senior air raid wardens is scheduled for Friday night, September 17, at 8 o'clock. Chief Warden Melicker asks for a good attendance.

HOUSE GUESTS

Mr. and Mrs. James E. Rasor, 173 Templeton avenue, have as house guests, this week, Mr. and Mrs. Dan Abel of Peoria, Illinois, and Mrs. Ethel Staves, of Los Angeles. Mrs. Staves is Mrs. Rasor's sister.

Ever think about Running a Factory?

IF you've ever run a farm or dairy or store, there are a lot of things about running a factory that you'd find pretty familiar. Things like working any and all hours, training green help, planning for months ahead without letting the planning interfere with the job of the moment.

These are the responsibilities of management. And the peculiar American ability to meet and lick these problems means a lot today, both on the food-producing and weapon-producing fronts.

Ability to manage isn't picked up overnight. For good management is a skill just as much as good workmanship—learned the hard way.

It won't be forgotten overnight, either. For it is these men who, on farm and in factory, have actually produced the things from which our high living standard is derived, who can and will, by working together, give every American a more abundant life in the peacetime years to come. *General Electric Company, Schenectady, N. Y.*

HIGH EXPLOSIVE bonds BOMBS FOR TOJO!

★War Bonds financed the victories at Midway and the Coral Sea. War Bonds will finance the final destruction of Tojo's vaunted fleet.

Six hundred heavy bombers can be built for the 300 million dollars in War Bonds which the men and women of Bank of America have pledged to sell over a six months' period. That's enough bombers to make things mighty hot for the Sons of Heaven.

Remember, the sale of War Bonds is vital! War Bonds are not only the best investment you can make—an investment which pays good interest—but they are as essential as anything in your personal budget. So after you have set aside the amount you need for essentials, invest the *rest* in War Bonds.

When you buy a War Bond at Bank of America you receive the badge of the Bond-bardiers.

California Automobile Association Urges Less Frequent Use Of Car Horns

Urging less frequent sounding of automobile horns, the California State Automobile association today reports the driver who has rounded out two years of operating a car in the crowded streets of a metropolitan area without once blowing his horn—or having an accident. With the aim of providing peace for the war worker asleep, this toot-less driver was convinced that careful driving would obviate the necessity of horn-blowing. The paragon of silent driving is an engineer on the staff of an Eastern automobile club.

More motorists should aim for quiet driving, suggests the automobile association, since so many war workers must get their sleep during daylight hours.

Recent amendments to the state vehicle code included one now in effect eliminating the requirement to use the horn when overtaking or passing.

Motorists are urged not to race their motors, not to use the horn to call friends to the curb and to remember that a push on the brake is better than a push on the horn since a quiet motorist aids the war effort.

Whist Party To Benefit Lady Of Perpetual Help

The regular monthly whist for the benefit of Our Lady of Perpetual Help church will be held, Friday evening, September 17, at Masonic hall, 17 Hillcrest drive.

The party will begin at 8:30 p. m. and the whist players of the vicinity are urged to attend. There will be many nice prizes, including a cash first, the parish committee announced.

Mrs. Keithley Hostess At Party For Mrs. Mylin

Mrs. Pauline Keithley, 19 Guadalupe avenue, was hostess at a surprise baby shower in honor of Mrs. Clifford Mylin, September 1. Pink and blue were featured in the decorative scheme for the occasion, and many lovely gifts were presented to the guest of honor.

Those enjoying the party were: Mrs. Joy Vadages, Mrs. Donnie Osborne, Mrs. Grace Pipper, Mrs. Ethel Williams, Mrs. June Adams, Mrs. Aileen Selmi, Mrs. Jeanette Steel, Mrs. Ida Beecher, Mrs. Anita Bachalli, Mrs. Rita Guersenburg, Mrs. W. P. Folkman, Mrs. Virginia Peterson, Mrs. E. O. Folkman, Mrs. R. O. Folkman, Mrs. Lucille Earnshaw, Mrs. Jeannette Bieblingberg, Mrs. Mable Buchanan, Mrs. Doris Murray, Miss Marilyn Folkman, the guest of honor, and hostess.

Delicious refreshments were served at the conclusion of the evening.

Mrs. Mylin, the guest of honor, is the former Miss Winnie Folkman, who lived in Daly City for some time.

FIRE PREVENTION

Rising out of the good earth of the great Western Empire are the tall trees that throng the slopes and valleys. They are the handiwork of Nature representing the patient growth of tens and scores and hundreds of years. They are a rich heritage of beauty—a great source of wealth.

This year, more than ever, we must guard and protect these forests from the enemy within—fire. As summer mellows into fall the need for alertness becomes increasingly important. Those who live near forest areas should be especially watchful against fire in their own homes, for these often result in conflagrations that spread over hundreds of acres.

A careless match can do as much damage as a fleet of enemy bombers. Our forests need not be "seared and scarred and blackened." Our care and vigilance can help to protect their majestic beauty.

WHAT NEXT?

The OPA has launched a scheme which grants free postage under the franking law to anyone wishing to report price violations. In effect, the government now subsidizes snoopers.

News reports state that "uniform complaint" forms have been sent to OPA regional offices, and by them distributed to various organizations such as labor unions, veterans' posts, women's organizations and consumer groups. These forms are official. They need no postage. If you don't like your neighborhood grocer, all you have to do is look around his shelves for some inadvertent infraction of the inexplicable OPA rules and turn him in—it doesn't cost a cent. As the OPA points out: "We extended the franking privilege so that we would be sure of getting replies. People won't go to the trouble of stamping an envelope. We find that it's not the two cents that holds them back, but the fact that they may have to walk across the street to buy a stamp . . . It makes all the difference between getting a volume of complaints and not getting them." How wonderful!

Apparently the OPA is doing its level best to frighten retail distributors out of business, even while paying lip service to the "honest merchant." It is a tribute to the entire distribution industry that it has managed to continue serving the public efficiently in the face of such tactics. How much more stimulating to hard-pressed merchants if the same effort that has been expended to catch a few willful price violators, were put forth to ease the burden on legitimate distributors.

FOUR YEARS OF WAR

Four years have passed since that fateful September 1st of 1939, when Adolf Schickelgruber, the Austrian house painter, threw aside his "peace mask" and poured an avalanche of men and metal into Poland. And for the second time in a generation, the lights again went out over Europe.

The conquest was bloody and brutal, but quick—amazingly. It revealed a new German military machine, whose efficiency and equipment immediately outmoded warfare as it had been known up to that time.

Then followed months of idleness—waiting. "Phony war" was the name given it. Hitler seemed unwilling to move out from behind his Siegfried Line, and France and England were unable to carry the war to him. Then came May of 1940, the rape of the Low Countries, the crushing of France—Dunkirk.

In less than a year the Nazis had mastered Western Europe, had almost won the war—almost. But "almost" blesses and curses history. Twenty miles across the Channel lay the white cliffs of Dover. The "master race" never got there.

Four years—four centuries to some within Hitler's "fortress." The darkness is not yet past. But time is running out and the finger tips of a new day of hope are stealing over the horizon.

In the light of this new day let us learn that there is never any ceasing in our warfare against hate, intolerance and greed. Let us be good soldiers in peace, then war can never again return to plague us.

7:45 p. m.— Prayer meeting, Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues.

8:15 p. m.— Regular meeting, El Carmelo Parlor No. 181, N. D. G. W., Masonic temple.

8:15 p. m.— Regular meeting, Tula Council No. 236, Degree of Pocahontas, 2246 Cayuga avenue.

Crocker P. T. A. Group To Meet

Mrs. Lillie Cavagnaro will entertain members of the Crocker P. T. A. sewing club at a luncheon meeting, Tuesday, September 14, beginning at 11 a. m. Her address is 428 Irvington street and she reminded members **NOT** to bring sandwiches.

Crocker P. T. A. has not scheduled a regular unit meeting until October, at which time the session will be held jointly with other units at Jefferson Union high school.

Twelve of the sewing club members enjoyed the meeting at Mrs. Olga Bordson's, 614 Templeton avenue, last week.

CAN WE DELIVER?

Seven out of every 100 pre-war fathers may be in uniform by the end of the year, so declared Draft Director Lewis B. Hershey. This will mean that nearly half a million men will leave their wives and children for the armed services by January 1.

With farmers still in need of help, with the aircraft industry crying for hundreds of thousands more workers, with transportation facilities strained for lack of help—where is this half million to come from, along with another half million others to be inducted by the end of this year, without seriously disrupting production on the home front?

Non-essential industries are not likely to account for the entire number. In fact, we know only too well that many essential industries have been hard hit already. A recent survey of the California trucking industry showed that out of 3,658 employees in the companies contacted, 870 had already gone into the armed forces, and 2,088—many of them fathers with children—were within the draft age.

This indicates further drain of drivers and mechanics from an industry that has thus far succeeded against tremendous odds in keeping vital war goods and crops rolling. And the worst of it is, the men who drive these big trucks cannot be replaced by older men or women. Only young men, physically fit can do the work.

The question naturally presents itself—If we decimate essential industries, such as transportation, of their manpower, what good will it do us to have a huge army and navy, if we can't back them up by delivering the goods?

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

TWENTY years ago a book like "The Music Lover's Handbook," edited by Elie Siegmeister, and containing articles on classical and modern music by many of the most noted composers and critics—twenty years ago a book like this could have had only a very limited audience.

ELIE SIEGMEISTER

Today it is offered by the Book-of-the-Month Club to its more than 500,000 members as a "dividend" book, and the book store sales will no doubt be considerable. The reason for the enormously increased demand for a book like "The Music Lover's Handbook" can be written in one word—radio.

Radio has brought the musical mountain to Mohammed. It used to be that only kings could have command performances of great music. Today the humblest citizen can bring the greatest orchestras and virtuosi into his home with a twist of the dial. And the musical audience in America must be reckoned in the many millions.

Whether you are a devotee of Mozart or George Gershwin, Toscanini or Louis Armstrong, you'll find something in "The Music Lover's Handbook" to suit your tastes. You'll find articles by composers like Stravinsky and Shostakovich, by noted critics, like Deems Taylor, Olin Downes and Lawrence Gilman. This book tells you how music is made, and introduces you to the leading composers of our time. It's a wonderful book to have handy to your radio.

* * *

Lament of an air recruit whose girl hasn't been writing frequently as quoted in "Spin In, Dumbwhacks" by Lieutenant Richard N. Ryan:

"Ain't you got no paper?
Ain't you got no pen?
Ain't you got no envelope
To put my letter in?"

According to the story, the girl to whom this was sent got the hint, and letters were more regular after that.

* * *

In his book "The Chinese Are Like That," Carl Crow advises us how to get rid of unwanted guests—but definitely. One of the many stories which the Chinese relate about Confucius tells of the time he was called upon by a visitor he disliked. The great sage sent out word that he was too ill to see visitors. Then, before the caller was out of earshot, he picked up his lute and played and sang lustily to show that he was in the best of health. It seems he wanted to indicate his thorough disapproval to his visitor, and did it in this way more effectively than would have been possible by any rude verbal message.

Rationing Board Presents Awards

(Continued from Page 1)

bearing pictures of field guns, tanks, ships, and airplanes are not yet in use. Anyone in Daly City who has not received Book Three may obtain one by applying to his local ration board, 470 Grand avenue, South San Francisco.

Reflecting an improvement in civilian meat supplies, the ration cost of most lamb and bacon cuts, sirloin steak, and rib roasts has been reduced from 1 to 2 points for September. In addition, several variety meats also have lower point values. Creamery butter increased 2 points to 12 points per pound. Country butter, however, has been assigned a value of 6 points per pound. The purchasing power of meats-fats stamps in September will be a little larger than in August because the decrease in meat point values more than cancels the higher ration cost of creamery butter.

Dried and dehydrated prunes and raisins were restored to rationing September 5. Values were placed at 4 points per pound. Allocations of dried prunes and raisins to government agencies will be large. However, the balance of raisins and dried prunes available from this year's production for civilian distribution is expected to be over 90 per cent of the average annual civilian supply for a five-year period preceding rationing.

The extension of market basket prices into 59 additional communities in Northern California was announced, last week, by Francis Carroll, San Francisco district director of the Office of Price Administration, simultaneously with the release of a revised list covering the top ceiling prices for approximately 1,400 food items in the San Francisco Bay area.

The new ceilings went into effect, September 1.

These market basket price lists also apply in the revised form to the following San Francisco Bay area communities which have been under the market basket price program since May: San Francisco city and county, **Colma, Daly City,** El Cerrito, Emeryville, Albany, Richmond, Berkeley, Piedmont, Oakland, Alameda and San Leandro.

Carroll emphasized that the market basket prices represent the maximum charge which can be made for the listed items by any store in the area covered. He pointed out, however, that dealers may sell at prices below the top ceiling price.

Carroll described market basket prices as progress toward OPA's goal to simplify price control. Before the introduction of specific prices per pound or package in the market basket price program, the ceiling charges varied from store to store.

All retailers selling any of the listed items must post the class of their store on a sign reading "OPA-1," "OPA-2," "OPA-3" or "OPA-4," whichever applies so that it can be seen clearly by shoppers. In conformance with usual business practice, higher prices have been authorized by the OPA to the smaller stores. The classes of stores are: No. 1—independent retailers doing under $50,000 annual sales; No. 2—independent stores with annual gross sales of $50,000 or more but less than $250,000; No. 3—store which is not an independent and with annual gross sales less than $250,000; and No. 4—store with annual gross sales of $250,000 or more whether independent or not.

Police Recover Car; Stop Free-For-All

(Continued from Page 1)

responded to the call they found the car parked across the street from its original location. Their conclusion was that whoever decided to steal the car got "cold feet" and brought it back again. The car's contents were in good order except for a C book of gasoline coupons which was taken.

At 12:30 a. m., September 6, police broke up a free-for-all at Signal Coffee shop, 6298 Mission street, in which sailors, civilians, employees and the proprietor were hotly engaged, "throwing anything they could lay their hands on."

Explanation of the fight's inception as given to Officers Walter Davis and George Savage was that a sailor and a girl named "Betty" had started the fracas.

News Of Servicemen

(Continued from Page 1)

ington and Southern British Columbia.

Dillon, a guard at Paine field, has a brother, William M. Dillon, in the armored division of the Army. His furlough began, September 1.

Private First Class **Warren F. McHugh,** son of Mr. and Mrs. John McHugh, 774 Bellevue avenue, is now stationed at Norman, Oklahoma, with the U. S. Marine Corps. He is training at the ordnance school there and expects to be graduated, November 20.

His studies include blue prints, electricity, and mathematics. He writes his parents and friends that he enjoys his course of study but can't say as much for the weather, which has included sleet, rain, and electrical storms. He sent his thanks to The Record for the home-town newspaper.

McHugh, a graduate of Jefferson Union high school in 1942, spent a 12-day furlough in Daly City about 3 weeks ago.

Farallone Packers Make Two Straight

(Continued from Page 1)

opening guns in the finals should be fired at Marchbank park.

Walter Lister, pitching for Manager Charles Norry's Packers, Sunday, held the Belmonts to five hits. Box-score for the game follows:

FARALLONE PACKERS

	AB	R	H
Miller, ss.	4	1	1

Totals	35	2	5

Sunday afternoon's game at Marchbank park proved a close one, with the San Francisco Longshoremen nosing out the Oakland Bercovich squad with a 5-3 score. The morning contest folded up as the San Mateo Juniors failed to appear for their scheduled match with the San Francisco Boys' club.

Next Sunday, the Farallone Packers are idle, as they await the outcome of the other playoff game to decide an opponent for the final round. Manager Louis Marioni's Packer Juniors will have their usual 11 o'clock contest on the local diamond, against some team as yet unnamed.

Fathers Face Call Unless "Essential"

(Continued from Page 1)

tarized before submitting it to the board. This form is officially known as DSS No. 41.

After October 1, if a non-deferrable father's order number comes up for induction and he is not yet in an essential industry he will be subject to call.

"The selection of men needed for the Armed Forces and the deferment of men required for agriculture, war production, and war supporting activities are much more difficult than in the days when we had ample men from which to choose," said Major General Lewis B. Hershey, director of Selective Service, in a recent letter to local boards. He said available men will be called for induction in the following order: (1) single men without dependents, (2) single men with collateral dependents, (3) married men without children, (4) men with children (nondeferrable activities and occupations), (5) men with children (essential war industries).

Daly City Draft Board No. 103 will be represented at a district meeting for Selective Service personnel and leaders tomorrow evening, September 10, at the San Francisco city hall.

Children Return To School Monday

(Continued from Page 1)

ing school, with second term kindergarten from 9 a. m. to noon and first term kindergarten from 1 to 3.

Those children entering the grammar schools for the first time must also bring their birth certificates to registration. They must be at least 5 years 9 months old as of September 1 to enter school.

The Our Lady of Perpetual Help Parochial school for grammar school age children opens Monday morning, September 13, too. High school classes at Jefferson Union will not take up until Monday, September 20. Students who have never attended Jefferson high school before and were not registered after graduation from local grammar schools last spring should go to the high school office, Thursday or Friday, September 16 or 17 and consult R. J. Gale, counsellor, in regard to their program of studies. Gale will also be on hand to advise any student with special problems.

Otto B. Bueren Succumbs To Illness

Otto B. Bueren, resident of Daly City since 1919, succumbed to a lengthy illness at his home, 3304 San Jose avenue, Wednesday, September 1. Funeral services were conducted from a San Francisco mortuary, Monday, September 6.

Surviving are his wife, Mrs. Babetta Bueren, and a son, Aviation Cadet Otto P. Bueren, who was able to be home for the funeral from his station at Dorr field, Arcadia, Florida. Mr. Bueren was also the father of the late Ernest August Bueren, who met his death in the service of his country, September, 1942, during the Allied offensive in the Solomons. He was a seaman first class with the U. S. Navy.

Mr. Bueren had been retired for some time.

After 23 Years Beesons Sell Shop

After 23 years in the cleaning business in Daly City, Mr. and Mrs. Tom Beeson have sold their shop, located at 6202 Mission street for the past several years, and formerly across the street. The new owners are Mr. and Mrs. H. D. McCamish.

The Beesons, who have purchased a home in Pedro valley, on the Coastside, were the first local cleaning establishment to put in a presser. They took an active part in community life.

Prior to entering the cleaning business, the Beesons were show folks and played in stock on Broadway as well as in many musical comedies on the road.

The Beesons have one son, Tom jr., who has attended local grammar and high schools. He is now piloting a launch on San Francisco bay for the Navy. An accomplished musician, Tom jr. gives every indication of following the Beeson tradition in the entertainment world.

Beeson sr. is now in defense work at Bethlehem Steel as an electrician's helper. Mrs. Beeson will continue to do a little private cleaning work at their Pedro Valley location.

San Mateo Junior College Opens Sept. 14

This Saturday, San Mateo junior college will give entrance tests to new students for the fall semester registration. The aptitude tests will be given in the morning at nine o'clock, while the English placement tests will be given that afternoon. Monday, September 13, the college will enroll students, new and old, with faculty members advising in the making out of the program. Class work will start, Tuesday, September 14.

Helen Hackley, student body president, from San Carlos, has been working with her staff in organizing a complete schedule of student activities for the fall semester.

The college adult center will be started soon with a full schedule of evening classes, many of which will be in civilian defense work. Last year more than five thousand adults attended the evening courses.

AT CANNING SESSIONS

Two more sessions of the summer canning clinic at Jefferson Union high school remain. Daly City housewives who would like to use the facilities provided free are advised to write or phone Mrs. Elsa Bogosian, 6996 Mission street, RAndolph 6612, at once for appointments on Monday, September 13, or Wednesday, September 15.

Women who have enjoyed the instruction, facilities and general good fellowship at the canning clinic, this summer, have been: Mrs. Beth Menzie, Mrs. Carol Doane, Mrs. Lucille Miller, Mrs. Ruth Morris, Mrs. Marie Gehrig, Mrs. Allan Green, Mrs. Emil Pahlka, Mrs. Helen Grieg, Mrs. Margaret Lange, Mrs. F. A. MacMasters, Mrs. Anna Dimick, Mrs. Minnie Schuback, Mrs. Beth Hopp, Mrs. Christine Clay, Mrs. B. Glendenning, Mrs. Bogosian, Mrs. Velma Murray, Mrs. Virginia Lagomarsino, Mrs. Evronie Lane, and others.

In a recent period of 3 work days, the women canned 7 1-2 quarts, beets; 136 quarts, beans; 27 1-2 quarts, tomatoes; 15 1-2 quarts, peaches; 11 quarts, corn; 22 quarts, pears; 13 quarts, apples. This totaled 334 jars of food and 19 glasses of jelly.

On Monday, August 30, the Red Cross Motor Corps, San Mateo county chapter, came to the rescue of the canning clinic and rushed two additional pressure cookers to the school, when there were more green beans on hand than they could handle with the equipment already at the school.

Cooperation of participants, instructors and the county Red Cross unit has made possible the outstanding success of the clinic, Mrs. Bogosian pointed out. The supervisors directing the canning project were supplied by the San Mateo Junior College Adult center. The high school supplied the location and handled local details, with Mrs. Bogosian in charge.

Forward March, America!

THE 3RD WAR LOAN DRIVE IS ON!

3RD WAR LOAN
$15,000,000,000
(NON-BANKING QUOTA)

TODAY...YOUR COUNTRY LOOKS TO YOU TO BACK THE INVASION...

The big drive is on! As the tempo of the war increases...as our fighting forces go all-out for INVASION, we folks back home must mobilize in their support. And that's what the 3rd War Loan Drive is for! To reach our national quota everyone who possibly can must invest in at least one EXTRA $100 War Bond during the drive. AT LEAST $100. More if you can. That's in addition to your regular War Bond subscription. Invest out of your income...invest out of accumulated funds. Invest every dollar you can. This is total war and everyone must do his full share! You know all about War Bonds. You know that every penny comes back to you with generous interest. That War Bonds are the safest investment in the world. That they help secure your future...and hasten Victory. So now...today...back the attack...with War Bonds.

UNITED STATES WAR SAVINGS BONDS—SERIES E: gives you back $4 for every $3 when the bonds mature. Interest: 2.9% a year, compounded semiannually, if held to maturity. Denominations: $25, $50, $100, $500, $1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2½% TREASURY BONDS OF 1964-1969: readily marketable, acceptable as bank collateral, redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: $500, $1000, $5000, $10,000, $100,000 and $1,000,000. Price: par and accrued interest.

OTHER SECURITIES: Series "C" Savings Notes; ⅞% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds Series "F"; United States Savings Bonds Series "G".

Can You Say Lots In Ten Words? Then, Enter This

If you can say a lot in ten words by all means grab your pencil and jot down a slogan to be used in the San Mateo County War Chest's drive for funds which is to start October 18, and close two weeks later.

The effort may bring you a $25 War bond if you are the winner of the San Mateo County War Chest's slogan contest which started September 1 and continues until September 15.

All entries must be postmarked not later than September 15.

So you'll understand what to write about, the San Mateo County War Chest leaders offer the following factual matter about the War Chest activities.

The War Chest's drive for funds is a combined effort to benefit certain San Mateo County relief agencies and organizations which we have always been supporting by public subscription.

The drive will also benefit war relief agencies such as the USO; our own legion of "barbed-wire" prisoners who are held by the enemy in internment camps; starving Chinese who have bled and died for our common cause; our gallant Russian Allies who are in need of medical supplies; our merchant seamen who are in convalescent homes because they braved U-boat waters to bring supplies and men to the corners of the earth where Uncle Sam and his Allies most needed them, and other war relief bodies.

Briefly that's the story. Your contributions should be given to the San Mateo County War Chest if you are a San Mateo county resident because other Bay region cities are holding their War Chest drives at the same time.

Elsewhere in this newspaper appears an entry blank for the slogan contest. Shopping centers and stores throughout the county will give you an entry blank for the asking.

All entries should be mailed to San Mateo County War Chest, Inc., 1211 Burlingame avenue, Burlingame.

To Give Farewell Broadcast Friday

Congressman Jack Anderson, this district's representative in Washington, will take to the airlanes, Friday night, September 10, in a farewell broadcast to citizens of the district. Saturday he will leave for the reconvening of Congress in the nation's capitol.

In his radio talk, tomorrow night, which will be heard over Station KQW between 9 and 9:15 o'clock, the congressman will discuss the Smith-Connelly Anti-Strike bill, and the threat of labor leaders to purge every member of the Congress who voted for it. Anderson, who claims loyal support of the laboring man in his fight for just consideration, said today he will have some pertinent things to reveal in his broadcast.

"The threat of labor big wigs, who live luxuriously on the sweat of the working man's brow," Anderson declared, "to purge members of Congress is an insult to American intelligence and integrity, which I do not believe the American people will tolerate, nor soon forget. When Congress becomes the tool of a minority, then democracy is dead."

Yesterday Was "Tag Day" To Get Cigarettes

Daly City Unit No. 410, American Legion auxiliary, had representatives on the business streets of Daly City, yesterday, September 8, in California's big "Cigarette Tag Day." Mrs. Kathleen Matzek, president, thanked all those who contributed to the success of the drive.

"Millions of cigarettes for our fighting men" was the purpose of the Tag Day. At camps and other places where there are canteens, the armed forces can purchase cigarettes, tax free, for 5c a pack. Regular issue is four packs a month.

But there are many remote locations where there are no canteens. In China the cost is $6 American money for a pack of American cigarettes. It is to such points the Legion intends to send all the cigarettes purchased with Tag Day contributions.

Service price will prevail. Five cents a pack means two cartons for a dollar. That quantity costs the service men $120 in China. So Mr. and Mrs. Citizen were asked to contribute generously when they saw the Legionnaires and the members of the auxiliary with their red, white and blue boxes on the streets, in the stores, hotels, office buildings and industrial plants.

General MacArthur says fighting men ask for a cigarette first and a square meal afterward.

So the American Legion is making it possible for Californians to take care of this need for those men who are unable to obtain cigarettes from other sources. If the plan has outstanding success in this state, it will be adopted as a national scheme and expanded over the entire United States.

Report on how much money for this cause was collected in Daly City will be made at the executive board meeting of the auxiliary, Wednesday, September 15, 7:30 p. m. at Legion hall.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Donate Blood

(Continued from Page 1)

Friday night, September 16, at the city hall, 7:30 p. m. sharp. All members are urged to be present and on time. This will be the first drill in many weeks and its importance was stressed by Bodien.

R. L. Crane jr. is rearranging the control room in the basement of the city hall. A new system of filing is expected to speed up detail at the center and make the control board easier to operate.

Blackout driving lights have now been distributed, as well as sheets of governmental instructions about their use. The mimeographed summary of regulations governing operation of vehicles during periods of air raid alarms will be in the hands of all air raid wardens and auxiliary police, this week, Bodien said.

Personnel records are still coming back slowly in spite of the fact that no federal or state compensation will be forthcoming for those volunteers who have not registered and filed the new forms and complied with federal and state training requirements.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

When You Write Get Address Right

Because more than 10 per cent of the mail destined for overseas is incorrectly or insufficiently addressed, the War department has asked that the sender be sure to give the soldier's rank, name, Army serial number, organization, and Army post office number.

Following is a model address:

Pvt. John Doe, ASN 1234567890
Battery B, 227th Field Artillery Battalion
APO 29, C-O The Postmaster, New York, N. Y.

SAFEWAY Homemaker's Guide

Ideas for nutritious lunches

Good "stick-to-the-ribs" lunches are just about the most important meal of the day—they must carry us through the long afternoon hours right up to dinnertime. And with the youngsters heading back to school, it's more necessary than ever that we keep a well-stocked lunch larder! Now's a good time to lay in supplies of the items listed below.

SOMEONE said to me the other day, "Julia, I don't think any mother tries harder than I, to put up good lunches for the youngsters to take to school. But my Mary and Jack certainly don't show any enthusiasm for the sandwiches I make."

Then I told her about the experience I'd had with the same problem. Let the youngsters put up their own lunches!

With a little supervision, any child—from a sixth-grader on up—can do a good job of making up a lunch. And it's amazing, what a difference it makes. The youngster takes pride in the importance of the work. He knows the food will be what *he likes*, not just something "Mom thinks is good for him." Can't you just see him at school, saying to one of his pals at lunchtime, "I made this sandwich!"

It's surprisingly easy. Here's the way we do it, at our house:

1. The evening before a school day, after the dishes are done, my two youngsters and I decide on what will go into tomorrow's lunch.

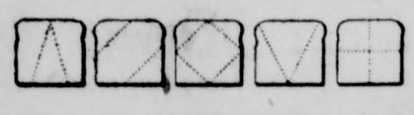
2. The youngsters get all the necessary lunch "fixings" together.

3. They arrange the bread so that each slice is next to the "partner" it fits.

4. They spread each slice with a stiff silver knife (if butter is scarce one side is spread with dressing or a sandwich spread), covering the bread clear to the edge so it won't be dry eating.

5. They spread the fillings, making them at least one-third as thick as one piece of bread.

6. They cut the sandwiches in any one of a number of ways; for instance:



7. They carefully wrap each sandwich in waxed paper, so it will be fresh and tasty the next day.

8. They pack their lunches in paper bags, being careful to put such heavy items as oranges and apples in the bottom of the bag, and the more fragile sandwiches on top.

9. Then they put their lunches away in the refrigerator or other cool place, and clean up whatever mess they've made.

Incidentally, if you'd like more information on how we do this in our house, take one of the free leaflets waiting for you at Safeway.

Julia Lee Wright Director

ANNE WRITES TO HEADQUARTERS

WE HAD TEN PEOPLE HERE AT OUR PLACE, ON LABOR DAY. SERVED A PICNIC LUNCH AND EVERYTHING WENT FINE!
WE HAD EIGHT, AT OUR PLACE. BUT OH, ANNE, I HAD TROUBLES... I DIDN'T HAVE ENOUGH RATION POINTS...
...TO GET THE THINGS I WANTED AND HAD TO SERVE THE SAME OLD THINGS. I WISH I KNEW HOW YOU MANAGED SO WELL AND WHERE YOU GET SUCH CLEVER IDEAS
IT'S NOT SO DIFFICULT MARGE. FOR ONE THING, I PLAN WHAT RATIONED FOODS I'M GOING TO NEED, PRETTY FAR IN ADVANCE
AND TO TELL THE TRUTH, I GOT KIND OF WORRIED ABOUT THIS LITTLE PARTY, 'WAY BACK IN AUGUST. I'D READ SOME OF JULIA LEE WRIGHT'S ARTICLES AND I KNOW SHE WAS AN EXPERT ON THESE THINGS. SO I WROTE TO HER, EXPLAINED HOW MANY I PLANNED TO HAVE HERE...
AND ABOUT HOW MANY RATION POINTS I COULD AFFORD TO USE AND THAT I HAD A PICNIC LUNCH IN MIND. SHE SENT ME THE KEENEST SUGGESTIONS! I COULDN'T GO WRONG!
SAY I'M HAVING ANOTHER BUNCH AT THE HOUSE LATE THIS MONTH! WHERE DO I WRITE TO JULIA?
THE ADDRESS IS JULIA LEE WRIGHT, BOX 660-SS, OAKLAND 4, CALIFORNIA

That's Not the Only Question Julia Likes to Answer!

Mrs. Wright has the entire Safeway Homemakers' Bureau to draw on for experience and ideas. If you have some question regarding food, household operation, party planning—send it to her in detail. She's there to help you!

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

August 1—blue stamps R, S, and T became valid. Good for purchase of processed foods through September 20.

August 16—stamp 14 in War Book One, good for 5 pounds of sugar, became valid; good through October.

August 22—red stamps X became valid; good for purchase of meats, etc., through October 2.

August 29—red stamps Y became valid, good through October 2.

September 1—blue stamps U, V, and W became valid and remain valid through October 20.

September 5—red stamps Z became valid, good through October 2.

September 12—brown stamps A in War Ration Book Three become valid for purchase of meats, fats, oils, etc.

September 19—brown stamps B in Book Three become valid.

September 20—blue stamps R, S, and T expire.

September 21—last day to use "A" book coupons No. 7 for 4 gallons of gasoline.

September 26—brown stamps C in Book Three become valid.

September 30—tire inspection deadline for A book holders.

October 2—red stamps X, Y and Z expire; also brown stamps A and B.

October 20—blue stamps U, V, and W for processed foods valid through this date.

October 30—brown stamps C expire.

October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canning sugar.

October 31—shoe stamp 18 (in War Ration Book One) expires.

October 31—tire inspection deadline for B book holders.

November 30—deadline for inspection of tires, C book holders.

Coffee has left the ration list altogether, so civilians may now face the rest of the ration news each morning with at least two cups of coffee between themselves and the hard world of reality.

Brownie Pack Holds Outing Today

Members of Brownie Pack No. 8 will enjoy a wiener roast today, September 9. The group will meet at 1 p. m. at Legion hall and from there go to the park.

Assisting Mrs. Elsie Hesslein, leader, with the party will be Mrs. Hilda Heagney and Mrs. Ethel Saame.

Mrs. Hesslein reminded the girls this morning that each of them is to bring 1 meat point to the party.

Mothers Club Announces Whist

Members of the Mothers Club of Our Lady of Perpetual Help school will meet, tomorrow evening, September 10, at the school, 60 Wellington avenue, to plan fall term activities. The session will begin at 8 p. m.

On Sunday afternoon, September 26, the Mothers club will give a whist party at Eagles hall, 6276 Mission street, starting at 2 p. m. Mrs. Lorraine Wall is chairman and she announces a cash first prize and other nice awards. The public is cordially invited to attend.

Here's Wartime Dish Featuring Cornbelt Foods

Combine Sausage, Eggs, Cornmeal-Bran for Savory Meal

Cornbelt Cartwheel combines two old favorites, pork and corn, in a delicious, point saving breakfast, luncheon or supper dish. Developed by Jessie Alice Cline, home economist, it's easy to make and requires no special skill beyond proper cooking of the ingredients. Sausage links are full of good flavor and every bit of it is utilized in helping to extend the meat supply.

For variety frankfurters may be used in place of the sausage links. The frankfurters have added flavor when slowly browned in drippings before being placed in the casserole.

Slow cookery of the sausage links keeps them plump and juicy and adds to the attractiveness of the dish.

Cornbelt Cartwheel

Sausage Links — Cornmeal-Bran mush
2 tablespoons water
Eggs

To cook sausage, place the links in a cold frying-pan. Add water, cover and cook until water has evaporated. Remove cover, increase heat and cook links until brown.

To make Cornmeal-bran mush, heat 2 cups milk and 2 cups water in double boiler or over low heat. Add 2 teaspoons salt and 1 cup cornmeal gradually. Cook the mixture, stirring constantly, until thick. Add 1 cup shredded bran and mix well. Spread cornmeal-bran mixture in a casserole while it is still hot.

Cornbelt Cartwheel Saves Points

Spread cornmeal-bran mixture in a casserole greased with sausage drippings and arrange browned sausage links on cooked cornmeal mixture like the spokes of a wheel. Place an egg between each two links. Cover and cook in a hot oven (400°F.) for 12-15 minutes, or until eggs are cooked.

Serve with peaches or other fruit for a delicious breakfast menu or add a mixed vegetable salad and serve the sausage casserole for a satisfying lunch or supper.

High School PTA Will Meet Sept. 23

Ten members of the executive board of Jefferson Union High School P. T. A. met for luncheon at the home of President Mrs. Ida Hanley, 43 Woodrow street, Thursday, September 2, to discuss plans for the coming term. Present were: Mrs. Lillian Thomey, Mrs. Allene Lehigh, Mrs. Vivian Pahlka, Mrs. Ida Forest, Mrs. Sara Nordgren, Mrs. Martha Linden, Mrs. Lillie Cavagnaro, Mrs. Marie Gehrig, Mrs. S. Filarski, and Mrs. Hanley.

Following the board meeting and luncheon, a public whist party was held, which proved highly successful.

Due to the school's late opening date, the unit will not hold its regular meeting on the second Thursday but will postpone it until Thursday, September 23, 1:30 p. m. at the Little theatre.

At the board meeting, Mrs. Thomey, program chairman, submitted the program for the coming year and it was approved.

RECORDER

There were more births and marriages but fewer deaths in August, 1943, than in August, 1942, the San Mateo county recorder, T. C. Rice, revealed this week.

Here's how the tabulation for August stood: births, 1943—146; 1942—132; marriages, 1943—86; 1942—56; deaths, 1943—87; 1942—97.

NEW BABIES

Half a dozen local couples have been receiving congratulations on the birth of babies. They are: **Mr. and Mrs. William Hartline,** Daly City, a daughter born, August 31, at South San Francisco hospital; **Mr. and Mrs. Jack Raymond Decker,** Daly City, a son, August 22; **Mr. and Mrs. John G. Patton,** 776 Niantic avenue, a son, August 21; **Mr. and Mrs. Urbano Maffei,** Colma, a son, August 25; **Mr. and Mrs. George McDonald jr.,** Daly City, a daughter, August 27; **Mr. and Mrs. John Smathers,** 736 Niantic avenue, twin sons, August 25.

Theatre Reports Successful Drive

"The children of this community really went all out for Victory in insuring the success of our 'Brass, Copper, Bronze Scrap Metal Drive,'" Henry Combe, manager, said today in commenting on the free patriotic matinee held at the Daly City theatre, Wednesday, September 1. "They were wonderful!" he said.

The local theatre held the free matinee to help in the scrap drive for copper, bronze, brass, and aluminum. Every child who brought an article of one of these metals was admitted free. Combe said that the Daly City was reported to have collected a larger amount of the right kind of metals than most of the San Francisco theatres.

The bulk of tin cans salvaged is used for tin reclamation and steel production—1 per cent tin and 99 per cent steel scrap.

One-sixth of the nation's tin cans are salvaged in the West, Southwest, and Mountain states where many of the cans are used for the precipitation of copper from mine waters.

"Corregidor" Now At D. C. Theatre

At last the epic drama of those twenty-eight days of heroism and sacrifice by American and Philippine forces at Corregidor comes to the screen. It represents one of the greatest battles in modern history, and the events have been carefully recorded in strict accordance with the actual happenings on "The Rock."

This moving and powerfully emotional drama, "Corregidor," from the P. R. C. studios, opens tonight at the Daly City theatre.

While it depicts the grim and bitter struggle with stark realism, graphically portraying the fighting and the dying as they actually occurred the somber events are woven into a poignant and a deeply moving love story—one of the great love stories that has so far come out of the war. It is in fact the story of the sacrifice of two American officers in love with the same woman—two friends who stand ready to give their lives so that she might be saved for the other.

Elissa Landi, that glamorous star, too long absent from the screen, gives a superb performance of the woman married to one surgeon and in love with another. Otto Kruger is the husband. Donald Woods is the old sweetheart whom she again meets at Corregidor—and they realize that their love has flamed anew. So does the husband, who philosophically offers to step aside that they might be happy together. But both wife and friend refuse.

And so, during the last bitter days of hopeless fighting on "The Rock," they pursue their humanitarian work, all being surgeons, till in the final hours Kruger is killed in the field dressing station, and the other man watches as the bomber evacuates the woman he loves to Australia and safety, as he remains behind. Here is a great war story and a superb love drama, beautifully directed by William Nigh.

Cast in prominent featured roles are Frank Jenks, Wanda McKay, Rick Vallin and Ian Keith. The original story and screenplay are by Doris Malloy and Edgar Ulmer.

CURRENT ATTRACTION AT DALY CITY

OTTO KRUGER and ELISSA LANDI in a tragic scene from the P. R. C. Special Production "CORREGIDOR."

Stanford University Offers Free Courses

Two free war training courses open on the Peninsula soon as part of the Stanford University Engineering, Science, and Management War Training program.

Problems of shipbuilding for supervisors will again be given at the San Mateo junior college on Tuesdays from 7 to 9:15 p. m., starting October 5.

A course in advanced industrial safety engineering, part one, opened September 7 at the South San Francisco high school and will meet there each Tuesday from 7 to 9:30 p. m. Prerequisite is completing of a course in elementary safety engineering, or equivalent training.

War training courses which open, this week, at the American Institute of Banking in San Francisco include office management, personnel management, industrial auditing, cost accounting, and industrial electronics.

Department President VFW Will Be Honored

Department of California President Mrs. Lola Connors will be honored at a chicken dinner by the San Mateo-Santa Clara County council, V. F. W. auxiliary, Saturday, September 18, at Palo Alto Veterans building.

Old Glory Auxiliary No. 2044, V. F. W., Daly City, is a member of the county council and will take part in preparing for the honorary banquet.

Two Groups Aid In Funds Campaign

Both Daly City Unit No. 410, American Legion auxiliary, and Old Glory Auxiliary No. 2044, V. F. W., assisted the Daly City theatre with the "Beds for Buddy" collection, Sunday, Monday, and Tuesday evenings. The drive, sponsored by the theatres of the nation, was to raise funds to provide over-night facilities for the thousands of servicemen who come to already over-crowded cities on furlough and then have no place to spend their few precious hours of leisure.

Mrs. Mary Crane headed the group from the Legion auxiliary, and the Old Glory group included Mrs. Allene Lehigh, Mrs. Nellie Jensen, Mrs. Rose Doolin, and Mrs. Muriel Walsh.

Group 141 Scouts Lose Their Mascot

Cubs and Scouts of Group No. 141 have lost their mascot, "Nosey," a veteran of camping trips and home meetings. A white cat of highly inquisitive nature, "Nosey" came to a bad end in traffic, last week.

The Scout store at 6622 Mission street is well under way now, and Scoutmaster Joseph Straughan invited the public to become acquainted with it.

Recently, the cubs and scouts made a recording to send their assistant scoutmaster, Glenn Goode, now in the U. S. Army. Goode is attending Georgia Tech where he is studying chemical engineering for Uncle Sam.

Woodrow Wilson PTA Board To Hold Meeting

Woodrow Wilson P. T. A. will hold an executive board meeting and sewing, Tuesday, September 14, 12:30 p. m. at 117 Miriam street. Mrs. Hilda Heagney and Mrs. Mildred Ventura will be hostesses. Plans for the fall schedule of activities will be made.

First regular unit meeting of the fall term will be Tuesday, September 21, 2 p. m. at Woodrow Wilson school.

Clive M. Saiz Gives To Stanford

Chancellor Ray Lyman Wilbur announced, this week, that Stanford university had received one million dollars in gifts during the fiscal year ending August 31, 1943.

More than 2500 persons from 45 states, three territories, and four foreign coutries contributed to this year's total, which brought Stanford's gifts for the last three years to $4,000,000.

Clive M. Saiz, of Daly City, member of the faculty at Jefferson Union high school, was among contributors to Stanford, this year.

San Mateo Junior College Is Designated

Lieutenant H. McPherson, officer in charge of the Naval Aviation Training program of the Twelfth Naval district, requests that San Mateo junior college use every facility to publicize the fact that the Naval Aviation Training program has been reopened for high school graduates who are 17 years of age and not 18. Students in the junior college who maintain a scholastic standing in the upper two-thirds of their class may enlist and remain in college until the close of the semester during which they become 18 years of age.

"We are delighted that San Mateo junior college has been again designated as a school in which the Naval Aviation trainees may carry on accredited work, for we are advised that there is great need for high quality trainees in this field of service," said C. S. Morris, president of the college.

Registration at the college will take place Monday, September 13, at 9 o'clock in the morning. The faculty of thirty will meet Saturday morning, September 11, at 9 o'clock to make final adjustments in the full program of vocational, secretarial, and college preparatory courses which are planned for the fall semester.

Tentative schedules of Adult center and general junior college classes will be mailed shortly to all junior college registrants of last year. Copies may be obtained in the office of the registrar at the college during the week of September 6 to 11.

President Pays Tribute To Efficient Personnel

Tribute to the efficient performance of telephone people and to the public's cooperation in wartime telephone service, was paid by N. R. Powley, president of the Pacific Telephone and Telegraph company in announcing the company's quarterly dividend declarations, according to Lyle M. Brown, division manager of the company.

Powley stated:

"The Board of Directors declared for the third quarter of the year $1.50 per share on the Preferred shares and $1.75 per share on the Common shares, resulting in dividend declarations on the Common shares for the first three quarterly periods of $4.50 per share as compared with $4.75 per share for the corresponding periods of last year.

"Traffic volumes continue at unprecedented levels with the gross revenues resulting, however, in limited betterment in net income because of the increase in operating expenses, particularly taxes and wage expenditures.

"Our operating personnel in the face of the largest task with which it has ever been confronted with all of its attendant difficulties is performing in a magnificent way and the shareholders may well take pride, as I do, in its efficient and courteous performance. The public's cooperative recognition of our wartime traffic problems is inspirational to all of us and we gratefully acknowledge its sympathetic and understanding attitude."

MILO'S MARKET DE LUXE

6315 MISSION ST.

What can I do?

We believe that nearly all Americans are convinced that, with all its drawbacks, a food rationing program is necessary for an equitable distribution of foods. We have only to remember the chaos which existed prior to rationing, when various lines were "bought out" at the stores.

To help make food rationing more workable, each American housewife or purchaser of food for the family unit, should do everything within her power to cooperate with retailers. An understanding of details of the program will do much to aid in daily shopping. Please remember that your food dealer does not make the regulations, but is charged with the responsibilities of carrying out a plan which rationing experts have decided is most helpful to the nation at large.

As Daly City's largest food center, Milo's Market brings you complete shopping service in one big, modern, deluxe market. At the "Top of the Hill" in the center of Daly City's business district, our one-stop convenience can be a real aid in these busy times.

Strongly competitive prices, made possible by our really big-store operations, reign in all departments. Featured are nationally famous brands of staple and fancy groceries at rock-bottom prices; complete selection of all kinds of fresh fish and poultry; and a meat department whose tremendous volume assures a wide choice of cuts and kinds of fresh and cured meats at low prices.

"Gardening" is a pleasure in our enormous section set aside for fresh fruits and vegetables, with racks and racks of every produce item in season. All are daily-fresh, hand-selected from the best at the growers' markets.

NATIVE DAUGHTERS

Members of El Carmelo Parlor No. 181, Native Daughters of the Golden West, will take charge of the War Bond booth at the Daly City theatre, starting Admission Day, September 9. They are also participating in the big military parade in San Francisco, today, as part of their Admission Day activities.

The parlor announces that any women interested in joining the Marines in their current drive to recruit California women for the Marine Corps Women's Reserve may secure details about this from them at the Bond booth during their stay at the theatre.

Veteran Firemen Meet

President J. Kester called the regular meeting of the Daly City Veteran Firemen's association to order at 8 p. m., Friday night, September 3, at 188 Santa Barbara avenue.

There was a large attendance and many stories were told. Comrade Hesrcowitz was especially pleased with the evening's outcome. Members who are ill were wished a speedy recovery.

Past President Chief A. P. Chesney attended the session.

After roll was called, a light buffet lunch was served for all those present.

Next meeting will be in October, the first Friday of the month.
